

Exclusive Sponsor Invitation

Dear Sir/Madam,

We invite you to participate in the 13th Annual M.M.W.G. Awards Summit & Expo. I'm contacting you regarding your possible interest in increasing your company's earnings, specifically by promoting your business through our special events program. We have several special events scheduled throughout the year with over 30,000 attendees expected.

Some businesses rely solely on pass-through traffic to generate sales revenue. Often perspective customers may not know that you even exist, so they pass right by your location. This method will limit sales enormously. The majority of Businesses that use advertising programs geared towards directing traffic to their locations usually generate much larger revenues. Attending events like the MMWG Awards Summit & Expo lets perspective customers know that you do exist. We bring prospective customers to your vendor location where you can interact with them and give them information that lets them know where you are, and what you are offering. Some of the world's most profitable businesses use special events programming to direct traffic to their locations and with our programs so can you. We hope that you will join us today and let our team of professionals' help you direct traffic to your business and increase your bottom line.

How We Do It:

- We design a segment of our show geared towards your products and/or services.
- We use that segment of the show exclusively for the promotion of your products/services.
- We provide an onstage presentation of one of our prestigious awards presented to a recipient of your choice by your organizations top executives.
- We increase your company's branding and credibility by showing your organizations commitment to family and community.
